

CAPABILITIES STATEMENT

Controlled Lighting Corp. (CLC) proudly serves commercial, industrial, institutional, educational, municipal, and government clients with our full lineup of LED lighting, both standard 0~10 volt dimming and the latest advancements and applications in LED wireless control systems and color tunable Human Centric Lighting (HCL). HCL LED lighting systems consist of programmable LED technology designed to mimic natural light (color tuning 2700 ~ 6500 Kelvin) and optimize human biological clocks (Circadian Rhythm), **directly impacting workplace safety, productivity, and comfort.**

CLC is a global distribution and marketing partner for SAMJIN LED (SAMJIN) and is a leader in the U.S. LED lighting market, winning the 2013 Grand Prize "Lighting For Tomorrow" awarded by the American Lighting Association with its LED Wireless Controlled Smart HCL technology. SAMJIN's Wireless HCL technology was highlighted in 2016 in a U.S. DOE Gateway, ACC report. SAMJIN's LED products are all **commercially certified** with UL, CE and either Energy Star or Design Light Consortium listed.

Controlled Lighting Corp. principals have over 10 years of experience in providing premium interior lighting with advanced wireless controlled LED applications and product supply for commercial, industrial, government, education and institutional properties.

CORE COMPETENCIES

Superior Product Technology

- Winner in 2013, 2014 - Lighting for Tomorrow Design Competition & Next Generation Luminaires Design Competition
- Wireless Control Technology is BACnet compatible with BMS technologies
- Fastest ROI with 60-93% energy savings
- California JA10 Flicker Tested

Resources

- Lighting Audit
- Photometric Analysis
- Payback Analysis
- Controls Layout
- Maximize Utility Rebates
- \$0.00 Down Lease Financing

Supply Partners

- **SAMJIN LED** – LED Fixtures & Wireless Controls
- **Automated Logic** – Intelligent BMS Controls
- **MAGNUM Energy Solutions** – Wireless Controls

Our Details

- Veteran Owned Small Business
- Pricing: Competitive
- GSA Schedule Contract: 47QSWA18D001R
- SIN: 206-4, NAICS: 423610, CAGE: 7UCX7
- DUNS: 079920958
- Accept Credit & Purchase Cards
- Regional Offices in CA, NY & NJ

Technology Installed Base

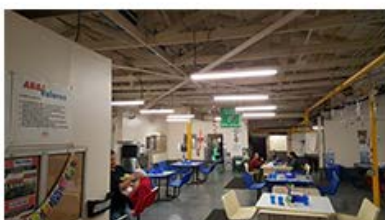

- New York MTA Transit System, NY
- AB&I Foundry, CA
- Pacific Gas & Electric, CA
- OTIS Elevator (UTC), MA
- Automated Logic Corp. (UTC), CT
- Department Children & Families, CT
- City of Orlando, FL
- NY University, NY
- Pace University, NY
- UC Davis, CA
- CSU Polytechnic, Pomona, CA
